

REMARKS:

Claims 1, 2, 4-18, and 20-34 are currently pending in the application. Claims 1, 2, 4-18, and 20-34 have been allowed.

This Amendment under 37 C.F.R. § 1.312 is submitted in response to a Notice of Allowance mailed 13 June 2007. In particular, the Examiner's Amendment in the Notice of Allowance states that the application has been amended as follows, and then lists the amendments to independent Claims 1, 17, 33, and 34.

In an Office Communication mailed 11 July 2007, the Examiner states that the Office Communication "is to correct the inadvertently deletion of strike-through of the amended claims in the Notice of Allowance mailed on 06/13/2007, page 2". However, the Office Communication inadvertently failed to correct the inadvertent deletion of the strike-through of amended independent Claim 34 in the Notice of Allowance mailed 13 June 2007. Therefore, a complete listing of the claims is set forth above, including the correct amendment to Claim 34 which corrects the inadvertent deletion of the strike-through. No new matter has been added.

The Examiner may call the undersigned, Steven J. Laureanti, at (480) 830-2700 if there are any questions regarding the Amendments to the Specification or if the Examiner believes that it would be easier to discuss this Amendment under 37 C.F.R. § 1.312, over the telephone.

CONCLUSION:

In view of the foregoing amendments and remarks, this application is considered to remain in condition for allowance.
